Deep Love

... "be fully capable of comprehending with all the saints (God's people) the width and length and height and depth of His love [fully experiencing that amazing, endless love]; and [that you may come] to know [practically, through personal experience] the love of Christ which far surpasses [mere] knowledge [without experience], that you may be filled up [throughout your being] to all the fullness of God [so that you may have the richest experience of God's presence in your lives, completely filled and flooded with God Himself]."

Ephesians 3:18-19 AMP

Lord, from the time I met You, I understood that You love me deeply, You showed it through the fountain of Your Precious Blood, which You poured out for me.

When I threw myself into that fountain, I found an ocean of Living Waters, I immersed myself in them and then the current took me, and since then it directs me to give also from that richness, to those around me. This is the great mystery of Your Profound Love, to constantly receive it from You, so I give it to others, and then receive inexhaustible abundance.

Biblical References

"Such hope [in God's promises] never disappoints us, because God's love has been abundantly poured out within our hearts through the Holy Spirit who was given to us."

Romans 5:5 AMP

"But God clearly shows and proves His own love for us, by the fact that while we were still sinners, Christ died for us. Therefore, since we have now been justified [declared free of the guilt of sin] by His blood, [how much more certain is it that] we will be saved from the wrath of God through Him. For if while we

were enemies we were reconciled to God through the death of His Son, it is much more certain, having been reconciled, that we will be saved [from the consequences of sin] by His life [that is, we will be saved because Christ lives today]. Not only that, but we also rejoice in God [rejoicing in His love and perfection] through our Lord Jesus Christ, through whom we have now received and enjoy our reconciliation [with God]."

Romans 5:8-11 AMP
