YOUR LIVING PORTALS

Lord Jesus Christ, You are the portal to Heaven for me and You have come to dwell within me, to touch and impact others through my being. I want to obey and sanctify myself; I want to serve You.

We are Your living portals, when we invoke You in worship, in intercession and with audible Bible reading, the portals of Heaven open, and Your presence is manifested. When the Holy Spirit enters the environment, everything changes. When we recognize You as our only Lord and Master, You enter us and live within us and we become Your living temples. As our Owner, You use our physical bodies and the authority with which You invested us, to influence others with Your presence within me, especially when I choose to love and serve my neighbor. The dimensional portal of my being opens and You yourself reach out and embrace others, so that they may know You. Our bodies are Your open portals to reach out to others, in whatever way You desire. Though we have declared that You are our Lord and Master, You provided us with free will. We need to only obey You, so that we may be used by You as open portals to others.

Sometimes we simply show up somewhere You have sent us and through Your presence in us, You manifest Yourself and influence others with Your light. Moreover, Your Holy Spirit accompanies us everywhere and directs us. Your angels ascend and descend from heaven, bringing us the help we need. We want to be intentional in always seeking Your will to fulfill Your command to love our neighbor as ourselves and to touch them with Your own hands, hands, which go out from within us to them.

You use us to close demonic portals, which the enemy has opened, in order to cleanse the atmosphere of every country. He influences men with perversion to corrupt them, as when Cain spilled the blood of his brother Abel on earth, thus opening dimensional portals to the abyss. By having You within us, You have provided us with the authority, to close the passage of unclean spirits from Sheol to earth, to prevent demons from ascending and descending, bringing demonic designs into the lives of human beings. You use us to condemn those portals forever and in turn, bring light, forgiveness and love, to instead, bring Your perfect plans into this world.

With Your Consuming Fire, You cleanse the sin-polluted atmosphere and bring healing when we worship You, God. Your love shines all around us and brings joy and peace to our atmosphere.

Your presence in me is so powerful, that I do not have to be physically present, to be able to change a situation, because just by lifting a prayer, the portals open or close and I can bind, bind and silence evil spirits. In Your grace Lord, You act in the circumstance, as soon as I mention Your Name, Jesus Christ. Through the vibrations of my voice, the Name of Jesus Christ bursts into the atmosphere when I mention it, forcing the demonic powers to flee. The most powerful Name there is, the Name of the Lord Jesus Christ, makes all things possible, nothing is impossible for God. People receive Your grace, You heal them, they forgive and circumstances change, lives are transformed, when they open the portal of their hearts to You.

Joy and faith enter them, light shines upon and within them, they are filled with love, patience, gentleness, peace, goodness and kindness. Their atmospheres are renewed and transformed.

In conclusion, to purify the atmosphere of my country, I begin by cleansing my environment through worship, intercession and audible reading of the Bible. Furthermore, I must touch my neighbor with Your own hand, Holy Spirit, and then his atmosphere is thus transformed. When all born-again Christians carry out this process, the atmosphere of an entire nation is transformed. As we seek the transformation of each person, the atmosphere of our nation is purified.

You Are Holy

Through the worship that comes from our lips, we become the portals of transformation for our nation. Sometimes I am perplexed by the power of Your Word; You rule, You dominate, You are a God of many forms, You are the very source of creativity.

Aware of all this, Lord, I ask You to eliminate idolatry from my country, to eradicate idolatry to all kinds of idols, including idolatry to prominent people in various spheres of society. We recognize that the spirits of antichrist use individuals who are idolized, to saturate the atmospheres of the countries with idolatry, thus diverting the attention of mankind, so that they do not see that there is only one God, YHVH. In Your Mighty Name, we ask that the atmosphere of every country be permeated only with Your presence and that those who attempt to usurp Your place be removed from the heavens of my country X (mention it), in the Mighty Name of the Lord Jesus Christ.

We pray that the atmosphere of our nation, be charged only with Your presence, Lord Jesus Christ, and that the Holy Spirit awakens in all, a strong desire and curiosity to know who You are and that they enter the churches seeking You, with a strong desire to know You.

We pray that those who come thirsting may be received with love in the churches, until they develop in You, to welcome others in the same way. We pray that the growing testimony of Your work will make Your Name resound throughout our country X (mention it) and that we all put our priorities in order, recognizing that You are always at the head of everything. We pray that the life of each X (mention the demonym of your country, e.g. Guatemalan) be ordered. We ask you that every citizen dedicate himself to fight against idolatry, sorcery and rebellion. We declare the antichrist usurper as of now totally defeated and that all that he has achieved, is reversed in my country. We pray that this process will bring the aroma of Your presence to our nation, that the atmosphere will smell of You, Lord.

We pray that every citizen, spontaneously and without needing to be asked, will have the desire to proclaim, "Jesus Christ is Lord of X (name your country)!" May, in our nation, Your reign be recognized and You be exalted, for You are Sovereign God, who sacrificed Your life for us and Your authority knows no bounds in the universe. All this we ask in the Mighty Name of the Lord Jesus Christ.
